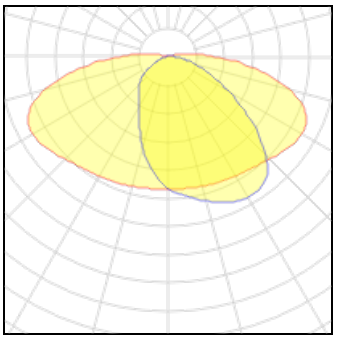
PRUNUS C DESIGN WITH AN EYE FOR DETAIL The street and yard lighting luminaires in the PRUNUS family are characterised by design with an eye for detail. The PRUNUS C is a round luminaire available in four variants, which can be used for a wide range of applications thanks to the choice of diffusers, power ratings and light profiles. The luminaire is suitable for business parks, car parks, parks, public squares, town and village centres, separate cycle paths, residential areas and district distributor roads. The luminaire is waterproof (IP66) and impact-resistant (IK10).

Light output 1 (integrated)



Lamp type	LED	CCT	4000 K
Nominal lamp power	8.6 W	CRI	70
Total flux	35 lm	LOR	87%
Luminous efficacy	4 lm/W	Total power	8.6 W

Mounting mode

Pole top mounted, Ceiling mounted

Shape and measurements

Height: 3.94 in

Diameter: 19.69 in

Adjustability

Fixed

Design

Material impression: Aluminum

Color of housing: Anthracite / graphite

Electric

System power: 8.6 W

Protection

IP: 66

IK: 10
