NUMINOS® 48V, DALI
1006665
SLV

IP 20

High-quality minimalism across the board: the compact NUMINOS® pendant lights provide elegant yet effective illumination with a 48V track system. They also perfectly complement the most discerning room designs with their clear, cylindrical shape. The brightness, light colour (2700 K/3000 K/4000 K) and half-peak divergence (20°/ 40°/55°) of these DALI-compatible spotlights can be adjusted as desired. The aluminium housing is available in black, white and chrome. A CRI value over 90 ensures natural colour reproduction. The pendant lights are quick and easy to install thanks to the track adapter.
