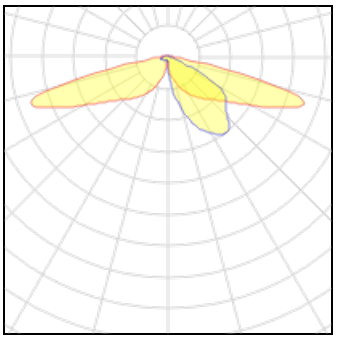
BDS100
PHILIPS

UrbanStar – combining innovative design and LED performance In residential areas, the familiar conical luminaires equipped with PL-L or HPL lamps can now be replaced by a charming design luminaire incorporating leading-edge LED technology – without losing any of the visual balance and ambiance provided by the former solution. UrbanStar delivers outstanding levels of lighting and energy performance thanks to its optimized LED engine and its application tailored optics. It has been specially designed for residential applications, and its translucent cone delivers very comfortable light.

Light output 1



1 x LED

Nominal lamp power	21 W	LOR	88%
Lamp flux	3200 lm	ULOR	3%
Luminous efficacy	134 lm/W	Total flux	2806 lm
CCT	3000 K	Total power	21 W
CRI	70		

Mounting mode

Ceiling mounted
