20

Floorstanding LED workplace luminaire with powerful switchable indirect light component, light distribution: 72 % upwards, 28 % downwards, steplessly dimmable (dimming capable for videoconferencing), presence detector and ambient light sensor can be activated separately, automatic sleep mode to save energy, the luminaire is operated via two capacitive control units, diffuser made of acrylic glass for glare elimination and directing the light downwards by means of conical indentations, luminaire head and tube made of aluminium, finish natural polished, anodised or brilliant white, base element made of powder coated cast steel with plastic cover, the cranked design of the base provides compatibility with most of the common table frames, the luminous flux amounts to a total of 8472 lumens.

Light output 1

1 x LED			
Nominal lamp power	75 W	LOR	100%
Lamp flux	8472 lm	ULOR	71%
Luminous efficacy	113 lm/W	Total flux	8445 lm
CCT	3000 K	Total power	75 W
CRI	85		

Mounting mode

Standing / Bollard, Floor mounted

Shape and measurements

Length: 21.65 in
Width: 8.86 in
Height: 0.79 in

Adjustability

Fixed

Electric

System power: 75 W

Protection

IP: 20
