PRUNUS E DESIGN WITH AN EYE FOR DETAIL The PRUNUS E is a versatile, round LED luminaire with an easily adjustable post-mount arrangement. This makes it possible to use the PRUNUS E both as a slide-on or top-mount luminaire. The tilt angle can also be adjusted. The luminaire is widely applicable in residential areas, public squares, parks, business parks, district distributor roads, town and village centres, separate cycle paths and car parks.

Light output 1 (integrated)
