Product data sheet

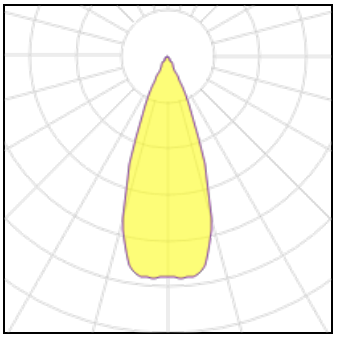
SUTIL TRACK
26001-XF34
NEXIA

Nexia

IP 20

Sutil, spotlight for interiors with simple and minimalist lines, characterised by its compact design, efficiency and technicality. Available in a colour rendering index of over 97 and a new colour temperature: 3500K that makes it an ideal option for retail projects. In addition, it permits customising its front ring in gold and copper finishes and the incorporation of sculptural or cut-out lenses for greater light control. Its surface-mounted version allows point-to-point installation of the projector without the need for a rail, concealing the driver inside.

Light output 1



1 x LED

Nominal lamp power	27.5 W	LOR	100%
Lamp flux	2926 lm	Total flux	2924 lm
Luminous efficacy	106 lm/W	Total power	27.5 W
CCT	4000 K		
CRI	90		

Mounting mode

Ceiling mounted, Contact rail, Contact rail

Shape and measurements

Height: 5.91 in
Diameter: 3.23 in

Adjustability

Rotatable, Tiltable

Electric

System power: 27.5 W

Protection

IP: 20
