Product data sheet

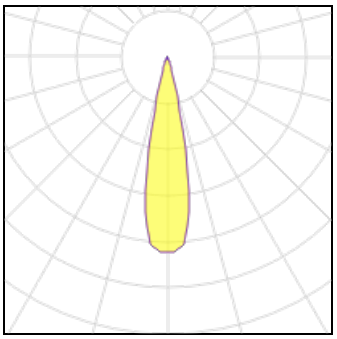

R2 LED 48V 25W OTTICA ZOOM OPEN 26°
615_52 + 9Q319520P
EXENIA

IP 20

Innovative 48V LED spotlight design including a passing ventilation chamber that allows for a substantial reduction in operating temperature and therefore a reduction in luminaire size with a lumen output of up to 3743lm (nom.). Unique 3-piece die-cast construction and 48V track adapter make this a truly discreet approach to track lighting. For use with TRACK 48 and TRACK 48 EVO (surface, suspended and trimless). This design combined with new aluminium and low profile TIR optics ensures high performance levels on outputs and quality of light. This projector offers a unique freedom of combining colours by choosing finish options for the luminaire body, ventilation chamber and arm, track adaptor and coloured ring.

Light output 1 (integrated)

Lamp type	LED	CCT	3000 K
Nominal lamp power	25.9 W	CRI	85
Total flux	586 lm	LOR	100%
Luminous efficacy	23 lm/W	Total power	25.9 W

Mounting mode

Ceiling mounted, Contact rail

Shape and measurements

Length: 0.76 in
Width: 6.97 in
Height: 0.76 in

Adjustability

Free

Electric

System power: 25.9 W
Appliance Class: III

Protection

IP: 20
