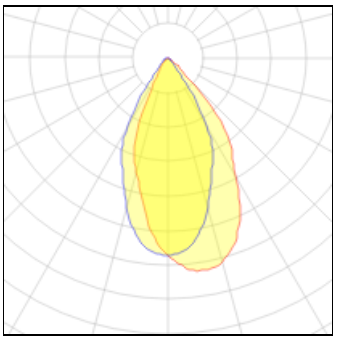
Product data sheet

CONE G2 XL BLACK 3000K 440MA
7706888
HIDE-A-LITE

Cone G2 is a neat, dimmable facade luminaire in a conical design that provides an even and pleasant asymmetric light pattern on the wall and ground. Suitable equally well at the entrance, along the facade, or the garage in both private and public environments. IP65, and galvanized IP44. Available in white, black, or galvanized steel (C4). The galvanized finish develops a natural patina over time. The backplate is easily wall-mounted with dual grommets for through-wiring. Prepared for surface-mounted cabling. The fixture is easily hung into place afterwards and features a plug-in connection for smooth installation. Built-in DIP switch (3000K/4000K) for color temperature adjustment. Reflector technology. The conical shape provides a light pattern that extends further out onto the ground. Built-in DIP switch for luminous flux adjustment. Replaceable LED and driver for easy servicing. Dimmable via phase dimming.

Light output 1 (integrated)



Lamp type	LED	CCT	3000 K
Nominal lamp power	18 W	CRI	80
Total flux	1853 lm	LOR	101%
Luminous efficacy	103 lm/W	Total power	18 W

Mounting mode

Wall mounted

Shape and measurements

Height: 7.05 in
Diameter: 5.91 in

Adjustability

Fixed

Design

Color of housing: Black
Designer: Elektro Elco AB

Electric

System power: 18 W
Appliance Class: I
