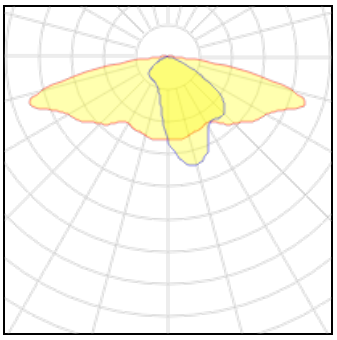
PRUNUS C DESIGN WITH AN EYE FOR DETAIL The street and yard lighting luminaires in the PRUNUS family are characterised by design with an eye for detail. The PRUNUS C is a round luminaire available in four variants, which can be used for a wide range of applications thanks to the choice of diffusers, power ratings and light profiles. The luminaire is suitable for business parks, car parks, parks, public squares, town and village centres, separate cycle paths, residential areas and district distributor roads. The luminaire is waterproof (IP66) and impact-resistant (IK10).

Light output 1



1 x L2WG5-520mA

Nominal lamp power	26.5 W	LOR	87%
Lamp flux	4000 lm	Total flux	3469 lm
Luminous efficacy	151 lm/W	Total power	26.5 W
CCT	3000 K		
CRI	99		

Mounting mode

Pole top mounted, Ceiling mounted

Shape and measurements

Height: 3.94 in
Diameter: 26.38 in

Adjustability

Fixed

Design

Material impression: Aluminum
Color of housing: Anthracite / graphite

Electric

System power: 26.5 W

Protection

IP: 66
IK: 10
