Product data sheet

ACTOR G2 TRACK DP SVART DALI CLO 450MA 4000K
7028528
HIDE-A-LITE

Actor G2 Track combines linear lighting with full flexibility on a 3-phase track. Install individually or position units end-to-end to create long light lines. Compatible with standard 3-phase tracks and can easily be combined with spotlights for added variation. The built-in DIP switch allows you to set the colour temperature on site. No advance configuration required; the light can be tuned once installed. Its modular design means only the necessary part needs replacement. Choose from various glare shields to match the environment: opal, microprismatic or double parabolic. Combine with track-mounted spotlights to achieve dynamic lighting that enhances both the space and its details.

Light output 1 (integrated)

Lamp type	LED	CCT	4000 K
Nominal lamp power	22 W	CRI	90
Total flux	2303 lm	LOR	100%
Luminous efficacy	105 lm/W	ULOR	8%
		Total power	22 W

Mounting mode

Ceiling mounted, Contact rail, Contact rail

Shape and measurements

Length: 44.53 in
Width: 2.05 in
Height: 3.07 in

Adjustability

Fixed

Design

Color of housing: Black
Designer: Elektro Elco AB

Electric

System power: 22 W
Color adjustable
Appliance Class: I

Protection

IP: 20
Designation labels: CE
