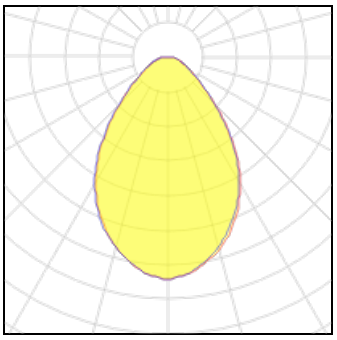
Product data sheet

IRYS MEGA
IRYS-MEGA-CIR12-3LED-3000K-350 MA
RAGNI

IP 66

With its cylindrical profile, the Irys range has been designed for architectural and accent lighting. Available in two versions, the Irys floodlights have an IP66 aluminium body and an IK10 tempered glass finish. With a maximum intensity of 700 mA, Irys mini has 1 COB LED and the mega version can accommodate up to 3 COB LEDs. Wall or pole mounted, they can be tilted from +10° to -108° and rotated through 360°. With a range of accessories to optimise its functionality and/or modulate its projection, the Irys range offers both original and nuanced lighting designs, thanks in particular to its different light distributions, a wide variety of colour temperatures and the possibility of RGBW lighting.

Light output 1



1 x LED

Nominal lamp power	39.5 W	LOR	100%
Lamp flux	4175 lm	Total flux	4175 lm
Luminous efficacy	106 lm/W	Total power	39.5 W
CCT	3000 K		
CRI	70		

Mounting mode

Pole top mounted

Shape and measurements

Height: 7.87 in
Diameter: 9.84 in

Adjustability

Tiltable

Electric

System power: 39.5 W

Protection

IP: 66
