STEP S 4000K W
A3920002W
ARKOSLIGHT

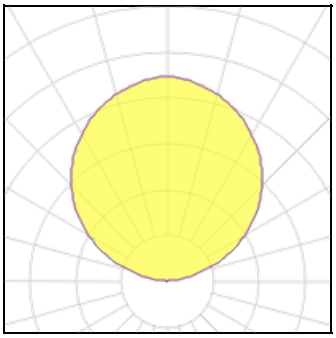

ARKOSLIGHT

IP 65 IK 06

Step is a floor-recessed luminaire for signage functions. Discrete, elegant and functional, it offers the technical features of a leaktight LED luminaire that is able to support weight loads. It is applicable in pedestrian transit areas, both outdoors and indoors. Other outstanding features are its small size, low consumption and considerable durability. A technical film, in blue or white finish, on the illuminated Step surface, helps prevent the LED point from being marked and makes the colour more homogeneous. Step can be installed horizontally or vertically. *** NOTE: Recessed box included

## Light output 1

1 x LED
