ANNEX CEILING S REFLECTOR OPAL  
AN3207  
SERIEN LIGHTING

Perfect ANNEX for any ceiling A quite archetypal ceiling lamp with that added functionality we value: three different sizes correspond with the proportions of your rooms. The different reflectors on the inside of the mouth-blown spherical shade enable extremely varied light effects, which nonetheless formally are part of one family. ANNEX Ceiling can take on various roles as a central ceiling lamp: More targeted with a conic reflector for direct downward light, for rooms and ceilings as well. With an aluminum reflector floors and ceilings are lit gently, increasing the dramatic effect, more brilliantly with a faceted crystal glass reflector. Downlight and ceiling luminaire in one and ideally suited for fitting on most ceilings, Annex is designed and conceived to ensure it is highly versatile. versions > Clear glass shade, opal reflector > Clear glass shade, polished reflector > Clear glass shade, crystal reflector control > TRIAC (phase-cut) > DALI > CASAMBI (Bluetooth) light colours CCT > 2700 K > 3000 K > 4000 K

## Light output 1 (integrated)

Lamp type	LED	CCT	3000 K
Nominal lamp power	10.3 W	CRI	97
Total flux	573 lm	LOR	100%
Luminous efficacy	56 lm/W	ULOR	6%
		Total power	10.3 W

## Mounting mode

Ceiling mounted

## Shape and measurements

Height: 5.71 in

Diameter: 5.51 in

Weight: 0.8 kg

## Adjustability

Fixed

## Design

Material impression: Aluminum, Glass, Gloss, Transparent

Color of housing: White, Silver gray

Designer: Uwe Fischer

## Electric

System power: 10.3 W

Controller: DALI

Suitable for feed-through wiring

Appliance Class: I

## Protection

IP: 20

Designation labels: CE
