HIPY 70 IP67 LED 3000K FLOOD GE ALU  
12374305  
MODULAR

Peaceful exterior spotlight Hipy is the perfect outdoor ground spot with its IP67 rating and LED light source. As the lightbeam does not generate any heat, you can safely walk over it barefoot, like a true hippy. Hipy is available in many different variants: round or square and with a warm or cold light temperature. Besides the traditional Hipy, we also offer an asymmetrical version, which makes an ideal facade spotlight. Finally, Hipy is also available with sunglasses, i.e. an anti-glare grid.
