The saas blaze is the perfect combination between compact in size and sufficient in light. Thanks to the recessed light source the glare on this fixture is kept at a minimum. This spotlight also benefits from a high-quality lens and a halo effect that makes it perfect for just about any space. Adding to the flexibility are two options for the optics, three color options, as well as four light color temperatures. The fixtures are easy to install with no tools needed for the connection. The light source on the saas blaze is easily changeable when needed and is made from 100% recycled aluminium of impeccable quality.
