The new R-CUBE free-standing lamp captivates with its modern and elegant design. Thanks to its adjustable light colour (2700/3000K), IP65 protection class, high colour rendering index (CRI>80), dimmability and long lifespan (L80/B10 50,000h), it provides everything you would expect from a trendsetting outdoor light. The delicate satin finish of the LED cover is a real highlight, creating a clean, homogenous look and draws the gaze to the white reflectors.
