LIP 3000K NT
A2880001NT
ARKOSLIGHT

Lip is a wall light with indirect lighting and an outstanding luminous flux, performing the function of a wall washer. Being of compact size, it stands out for its oval geometry and for its integration into the wall by means of an oblique joint that provides a particular presence and differentiated aesthetics to this luminaire. Formally Lip presents itself as an element bevelled from the vertical plane, from where it emits the wall washing light in perfectly homogenous manner.
