GRIP! - the striking light family for sophisticated lighting design. With its distinctive knurled front ring and many new pendant, surface-mounted and recessed options, GRIP! now offers even more options for customised lighting concepts. The honeycomb louvre insert supplied as standard reduces glare and ensures optimum visual comfort. Different colours and designs blend harmoniously into living spaces, hotels or restaurants. High-quality technology with a CRI of 90, a lifetime of 50,000 hours and easy installation make GRIP! an all-round convincing choice.
