Product data sheet

MAXLED 500 LED STRIP DAYLIGHT WHITE BASIC SET 1,5M 9W 550LM/M 6500K 20VA
70578
PAULMANN

MaxLED strips are so powerful that they can easily be used as room lighting. They are real highlights especially in profiles. Warm white strips provide a cosy and relaxed room and workplace light. The basic set contain a suitable ballast in addition to the strip. Where required, it can be extended with additional strips, connectors and control units with remote control. When planning, please keep in mind the maximum length specified for the basic set, which must not be exceeded.
