Product data sheet

GAA GALLEONAIRE LED GAA-AF-09-LED-U-SL4-800

COOPER LIGHTING

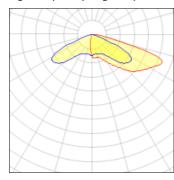

Choice of 16 high-efficiency, patented AccuLED Optics™, 3,400 - 61,800 lumens, up to 131 lp/W, Standard in 4000K CCT, 70 CRI, optional 2700K, 3000K, 5000K and 6000K, -40°C to 40°C operating range, 120-277V 50/60Hz, 347V 60Hz or 480V 60Hz operation, IP66 rated housing and LED Light Squares, Thermally conductive polymer heatsink for up to 22% weight reduction, Pole, mast-arm or wall-mounted configurations, 3G vibration rated, Five-year warranty

Light output 1 (integrated)

Lamp type	LED	CCT	4
Nominal lamp power	374 W	CRI	
Total flux	40708 lm	LOR	
Luminous efficacy	109 lm/W	Total power	

Mounting mode

Pole top mounted

Shape and measurements

Height: 0.39 in Diameter: 6.00 in

Adjustability

Fixed

Electric

System power: 374 W

Protection

IP: 47

4000 K 70 100% 374 W
