OUT-BEAM UP/DOWN
229665
SLV

The OUT BEAM series LED wall light, available in single-headed and double-headed versions, was designed especially as an architectural accent illumination. The LED light sources lie opposite each other and are covered by glass, they produce a narrow and a wide beam respectively and thus create the special up/down effect. Thanks to its IP44 protection class, the luminaire is suitable for outdoor use. The electrical connection of the luminaire is made directly to the 230V mains supply thanks to the built-in LED driver. The OUT BEAM series also includes wall lights for halogen lamps.

Light output 1 (integrated)

Lamp type	LED	CCT	3000 K
Nominal lamp power	17.5 W	CRI	80
Total flux	701 lm	LOR	100%
Luminous efficacy	40 lm/W	ULOR	9%
		Total power	17.5 W

Mounting mode

Wall mounted

Shape and measurements

Length: 6.22 in
Width: 5.91 in
