ELEKTRO LUMEN

A premium luminaire designed for easy installation, maximum luminous efficacy, and long service life. It offers high-quality visual comfort with low glare, making it ideal for work environments where good lighting is key to productivity. All of this makes it an investment that pays off. Designed for recessed installation in modular grid ceilings, with a choice of several colour temperatures or versions with a high colour rendering index > 90. Optionally, it can be equipped with DALI control or operated in Corridor / SwitchDim modes. An emergency lighting version is also available.
