# Product data sheet

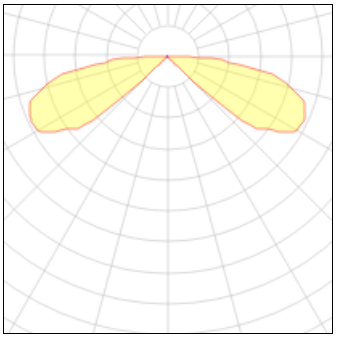

MICRO MENHIR 50 BOLLARD 2-E COB LED 3000K
4011212
PLATEK S.R.L.

IP 65 IK 10

Menhir and Micro Menhir belong to two families with the same elegant and clean impression from linear but evocative drawing. A very effective graphic gesture: a cylindrical base supports the diffuser that, when switched on, reproduces the circular shape of the body on the surface where it is installed. Menhir is the version from the greater dimensions, more apt to public spaces, while Micro Menhir is perfect for private gardens and parks. It is available in three heights and with light distribution on 180° and 360°.

## Light output 1

### 1 x LED

| | | | |
