SENSE AIR WHITE 36W LED 4000K RA>80  
5046212242  
SG ARMATUREN

Energy efficient LED panel with a slimline profile that looks modern as it floats in the room. The fixture is produced in a matt white powder-coated aluminium. The prismatic diffuser provides a glare-free light, and it offers both indirect and direct lighting. Ideal for offices and meeting rooms. The ceiling bracket can be fitted externally using concealed or visible cabling. It can also easily be added to an ordinary 60x60 ceiling panel. Connection using quick release terminals for easy forwarding is possible. Low voltage power runs through the wires of the ceiling bracket ensuring it is a highly elegant solution without unsightly power cables in the way. Supplied as DALI or non-dimmable. Dip switches on the driver makes it possible to adjust down the lighting level if desired. Emergency lighting version also available.
