PRUNUS F DESIGN WITH AN EYE FOR DETAIL The PRUNUS F is a round luminaire and available in four variants. This luminaire has a special appearance and is suitable for a large number of applications, such as residential areas, public squares, parks, business parks, district distributor roads, town and village centres, separate cycle paths and car parks. The PRUNUS F is available with a transparent, flat UV-stabilised polycarbonate light cover (F1/F2), a contoured light cover made from textured polycarbonate (F3) and a flat light cover made from transparent safety glass (F4).
