SLV

IP 20

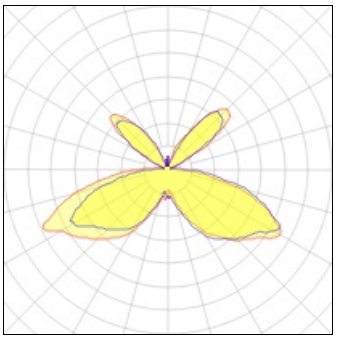

The PANTILO pendant light shines with a unique design that is characterised by the glass shade. Its natural hemp PANTILO ROPE is an additional highlight which surrounds the lampshade and was created in collaboration with designer Susanne Uerlings. This creates a high contrast between the materials that is right on trend. A real pendant highlight for the hotel trade, catering industry or private living spaces, whose impact can be intensified by installation as part of a lighting group.
