ARKOSLIGHT

IP 20

Art is a minimalist and rational suspended luminary that allows an ambitious range of composition possibilities. Individually, it transmits a sober look, but when combined -in an ordered or anarchic way- it is revealed as a sculptural piece of Art. This luminary can offer ambient lighting in any kind of actual interior design project. Its versatility makes possible both, -a discreet lighting over a table or an artistic composition to smoothly light up vertical opened spaces.
