SMART HOME ZIGBEE LED PANEL AMARIS 595X295MM 22 W MATT WHITE RGBW COLOUR CHANGE
79808
PAULMANN

IP 20 · CE
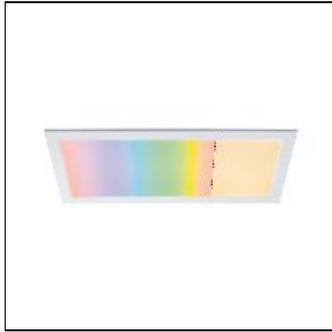

Measuring 595 x 295 mm, the flat Amaris Zigbee panel is particularly understated due to its ultra-flat design. The satined finish of the diffuser plate provides pleasant wide-area room lighting. Depending on your mood, you can choose between true warm white, coloured light and various effects. The luminaire is Zigbee 3.0-compatible. Zigbee is a radio transmission protocol that links devices from different manufacturers. Thanks to the sturdy metal substructure, installation is extremely easy and the panel appears to float.

Light output 1
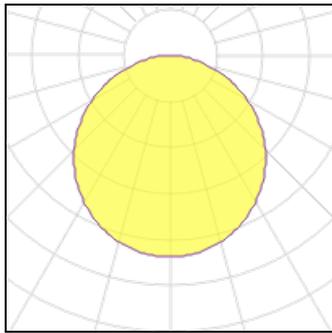

1 x LED

Nominal lamp power	22 W	LOR	100%
Lamp flux	1440 lm	Total flux	1440 lm
Luminous efficacy	65 lm/W	Total power	22 W
