Product data sheet

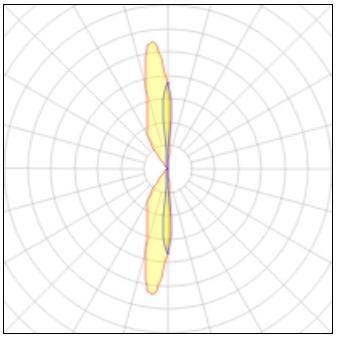

MINI ONE WALL RS 2 X 4° LED 4000K
1010362
PLATEK S.R.L.

IP 65 IK 07

Mini One is a cube of small size from rigorous and geometric design, combining elegance and great flexibility of use: the basic version can be installed to get grazing light on the walls and ceiling and as a floodlight with the supplied bracket. The purity of Mini One is enhanced by the total absence of visible screws and wall mount totally hidden. It is available with two and four windows and, alternatively, with blades of light. The bollard version is designed for lighting pedestrian walkways and gardens.
