The Solo S Round is a recessed spotlight body in cast aluminum available in trim and trimless versions. Solo S comes in downlight wallwasher and Zoom versions for multiple applications. The unique pull-down mechanism enables the Solo S Round to function as either a downlight, a regressed accent light, or an exposed lamp head able to emulate a surface or track fixture. The special head design of Solo S Round is fully adjustable with vertical tilt up to 40° and rotatable horizontally up to 350°.
