JOBE LIGHTING

This Beckstone NATURE bush-hammered paver light has a heavily textured face like a bush-hammered natural stone. It fits in natural stone, cobblestone, concrete slabs or water-bound landscape paths. Our illuminary solid block construct has a natural look, that integrates the light fixture flawlessly into the overall streetscape or landscape design. The polymer concrete base has an overhang, that makes Beckstone durable for drive over up to 5 tons with up to 16KMH /10 MPH and simplifies installation with a vibrating plate compactor along the paving procedure. Area of applications are walkways, landscape pathways, public transport platforms for bus, train, tram and driveways, patios, entrance areas. Particullarly along with tactile paving systems, Beckstone enhance the inground contrast for seniors and visullay impaired people with our non-glare design. Beckstones are waterproof up to 1m/3 ft. and can be cleaned with high-pressure waterhose and withstand intense usage of salt in cold climate zones. Available translucent body colors: crystal (frosted), blue, amber, basalt/antracite, granite grey, porphyry red, sandstone beige all with your choice of 2700K or 6500K LED-module
