PRUNUS B DISTINCTIVE AND FLEXIBLE The PRUNUS line is characterised by design with an eye for detail that blends perfectly with the most diverse living environments. The PRUNUS B is a saucer-shaped post-top luminaire that is available with a narrow or wide rim, a flat or contoured light cover and an optional LED ring at the top. The PRUNUS B is suitable for street and yard lighting for business parks, parks, public squares, town and village centres and residential areas. The PRUNUS B is impact-resistant (IK10), and dust-tight and waterproof (IP66).

## Light output 1

|                    |          |             |         |
|--------------------|----------|-------------|---------|
| 1 x LED            |          |             |         |
| Nominal lamp power | 34.6 W   | LOR         | 87%     |
| Lamp flux          | 4860 lm  | Total flux  | 4215 lm |
| Luminous efficacy  | 140 lm/W | Total power | 34.6 W  |
| CCT                | 3000 K   |             |         |
| CRI                | 70       |             |         |

## Mounting mode

Pole top mounted, Ceiling mounted

## Shape and measurements

Height: 3.94 in  
Diameter: 19.69 in

## Adjustability

Fixed

## Design

Material impression: Aluminum  
Color of housing: Anthracite / graphite

## Electric

System power: 34.6 W

## Protection

IP: 66  
IK: 10
