High efficiency, visual comfort and a stylish design Today, every business is looking to optimize all its resources, and that means not only running costs like energy, but also user costs where they see a much bigger impact on return. LuxSpace is the ideal downlight solution. It's designed to provide the perfect combination of efficiency, light comfort and design, without compromising on lighting performance (efficacy, color rendering CRI90 and light distribution). LuxSpace downlight offers a wide choice of options for creating desirable ambiances that support user comfort - no matter what the application. For office applications, LuxSpace also supports health and wellbeing with dedicated Tunable White products and lighting controls.
