

Product data sheet

MAXLED 1000 LED STRIP FULL-LINE COB EDGE 0M 0,7W 2000LM/M 2.133LEDS/M TUNABLE WHITE 71117
PAULMANN

The MaxLED 1000 Edge Full-Line COB corners are a perfect addition for a MaxLED 1000 Full-Line COB light concept, as they allow routing around corners. The COB corners for strips with Tunable White light control ensure that the strips can be placed around 90-degree corners without a break in the light design. Each corner comes with two light connectors. Corners can be connected universally on the left or right. The MaxLED 1000 Full-Line COB Strips emit perfect, glare-free working light for the worktop in the kitchen or garage, or any other work area, and are so powerful that they can also be used as room illumination.
