4245365
AIRAM

IP 20

A modular luminaire with minimalistic design for offices and public spaces. The units blend in seamlessly with the ceiling structure, creating a harmonious appearance thanks to their recessed design and glare-free lens optics. Models equipped with a black reflector (UGR<16) are suitable for workstations. The UGR<19 models with a white reflector are ideal for corridors and waiting areas.Recessed mounting on a T-grid ceiling or, with accessories, on a plasterboard ceiling. Surface mounting too is possible. Housings for recessed and surface mounting are available as accessories.
