ZET5 ROUND ADJUSTABLE - CV  
9013-A-2-585-91  
UNILAMP

The ZET family of inground luminaires is available in a wide range of configurations depending on project specific requirements. Options include high power LED, COB LED, lamp based light sources and fixed or adjustable luminaire models. ZET is manufactured from an advanced LM6+ aluminum alloy and coated with the UniShield16 process. This ensures a long lasting and beautiful looking luminaire. Glare control and a wide range of electrical accessories are available. ZET is available with constant voltage supply (CV) or constant current supply (CC). ZET is commonly used to highlight architectural features, wall structures, low ceilings and columns.
