PHILIPS

CitySwan LED gen3 – distinctive and elegant The beautiful CitySwan LED gen3 luminaire was designed by Danish architects Bjarne Schläger, light + architecture and Morten Weeke Borup, GHB Landskabsarkitekter A/S. Its simple shape, minimal materials, clean lines and white opal 'lampshade' make it a discreet yet visible presence in any city environment. At night CitySwan LED gen3 illuminates streets and spaces with soft, functional light. It can also be used to create colorful light moods in order to emphasize local identity or give urban spaces an innovative setting. The distinctive and elegant CitySwan LED gen3 luminaire is suitable for pole or wall mounting and is also available as a bollard.
