Product data sheet

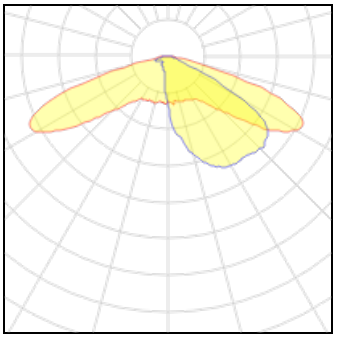

BONI
BONI-ASY27-48LED-2200K-350 MA
RAGNI

IP 66

Intended for ambient lighting, Boni is inspired by the old square cage lanterns. Made of aluminium foundry, it consists of two square platters interconnected by 4 round section arms fixed on two opposite sides. The platters are themselves machined with material removal forming horizontal grooves evoking crenellations along the 4 sides. The upper plate is smaller than the lower one, giving a slightly pyramidal shape to the luminaire. The lower platter houses a module of 48 LEDs offering several available photometries.

Light output 1

1 x LED

Nominal lamp power	50.7 W	LOR	100%
Lamp flux	5322 lm	Total flux	5322 lm
Luminous efficacy	105 lm/W	Total power	50.7 W
CCT	2200 K		
CRI	70		

Mounting mode

Pole top mounted

Shape and measurements

Length: 19.69 in
Width: 19.69 in
Height: 19.69 in

Adjustability

Fixed

Electric

System power: 50.7 W

Protection

IP: 66
