

Product data sheet

MEDIO STS RING IN-GROUND RS 28° LED 3000K
8406313DALI
PLATEK S.R.L.

Platek's landmark recessed ground lighting. The collection has been renewed, the new lighting sources and treatments adopted make these products highly reliable and able to offer great quality assurance. Medio offers high performance and lighting power, it is ideally suited for uplighting important surfaces in terms of width and height and tall trees with large branches. Its thickness is quite contained and the product has a minimal protrusion from the ground or wall surface. The family has been enriched with the Full Inox version that provides even greater resistance to scratching and foot traffic.
