MODULAR

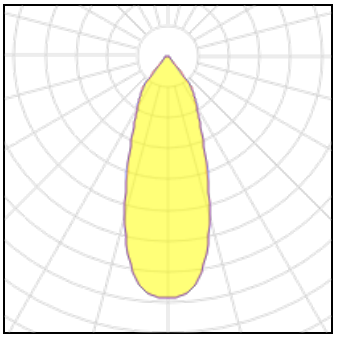

Smart lighting family Smart Cake, Smart Lotis and Smart Kup form a new generation of spotlights which combine technical ingenuity with timeless design. This family's styling is based on our most popular designs. In concrete terms, the fittings consist of a module (LED, halogen or discharge) which can be combined with one of three trims to suit your requirements. The new spotlights can be combined with Smart Mask or Smart surface box to form the perfect solution for any interior. Smart Lotis comes with the typical Lotis cup. Choose from a white or black structure.
