POINTER 300MA 11W DIM PH.CUT 37° 3000K N
A2713211N
ARKOSLIGHT

Pointer is a directional LED downlight for recess-mounting applications. With a fine and narrow bezel, it stands out for its minimalist aesthetics, its perfect integration into the ceiling and the possibility of being easily directed towards any angle, as many times as required, just with a very gentle hand motion. Whatever may be the orientation of the adjustable light beam, Pointer always maintains the same aesthetic appearance. An advantage that increases the sensation of visual order of the ceiling and which makes Pointer unique in the market.
