Wellit is a family of recessed luminaires, that comes in 3 sizes and can be adjusted with a rotation and tilting system. Wellit offers outstanding technical features. It is a compact product: its 3 sizes are consistent with a luminous flux level that is commensurate with its dimensions. It is also noteworthy for its efficient thermal management thanks to an excellently designed dissipation system. With Wellit, the interior designer will have great versatility in terms of applications, for general, retail and contract lighting.
