RC120B
PHILIPS

CoreLine recessed – for every project, where light really matters CoreLine recessed delivers on the CoreLine promise of innovative, easy-to-use, high-quality luminaires. The high-quality CoreLine recessed is designed to replace existing recessed luminaires with T8 or T5 technology. This family features an innovative new choice of multiple lumen outputs in one single luminaire, called MultiLumen. Instant energy savings and a longer lifetime, make this is an environmentally friendly and cost saving solution. With a quick-connector feature, our recessed luminaires are simple and easy to install. Also available within the range are Interact Ready luminaires with integrated wireless communications, fully compatible with Interact gateways, sensors and software.
