CORELINE PANEL RC133V G4 W62L62 PSU 1 XLED36S/840 OC
RC125B
PHILIPS

For every project where light really matters, innovative and easy to install CoreLine Panel Generation 4 delivers on the CoreLine promise of innovative, easy-to-use and high-quality LED lighting panels. This range of LED solutions is ready to directly replace functional luminaires in general lighting applications. CoreLine LED Panels' multi-color and lumen packages offer an innovative way to switch with two colors of white light and four lumen options - all in one LED panel fixture. And thanks to a new connector, installation of these RC123V LED panels is also quick and easy.
