BONI
BONI-PC02 45D-16LED-5700K-700 MA
RAGNI

IP 66

Intended for ambient lighting, Boni is inspired by the old square cage lanterns. Made of aluminium foundry, it consists of two square platters interconnected by 4 round section arms fixed on two opposite sides. The platters are themselves machined with material removal forming horizontal grooves evoking crenellations along the 4 sides. The upper plate is smaller than the lower one, giving a slightly pyramidal shape to the luminaire. The lower platter houses a module of 48 LEDs offering several available photometries.

## Light output 1

### 1 x LED

| | | | |
|---|---|---|---|
| Nominal lamp power | 35.5 W | LOR | 100% |
| Lamp flux | 4361 lm | Total flux | 4361 lm |
| Luminous efficacy | 123 lm/W | Total power | 35.5 W |
| CCT | 5700 K | | |
| CRI | 70 | | |

## Mounting mode

Pole top mounted

## Shape and measurements

Length: 19.69 in
Width: 19.69 in
Height: 19.69 in

## Adjustability

Fixed

## Electric

System power: 35.5 W

## Protection

IP: 66
