Urbane is a decorative luminaire for residential and ambiance lighting. Its shape is inspired by traditional lanterns. Its four-sided semi-pyramidal dome is flattened at the top and incorporates a tool-free opening. Mounted on a four-armed curved bracket, a decorative white tip rises from the center. It can accommodate from 8 to 64 LEDs which allows, via a wide range of color temperatures and photometries, to precisely meet the lighting needs of the project while ensuring compliance with the regulations against light pollution. With a dome made of aluminum and a protection made of tempered glass, it is IP66 and IK08 (IK10 on request).

Light output 1

1 x LED

Nominal lamp power	19 W	LOR	100%
Lamp flux	2181 lm	Total flux	2184 lm
Luminous efficacy	115 lm/W	Total power	19 W
CCT	3000 K		
CRI	70		

Mounting mode

Pole top mounted
