AMPULLA Decorative and elegant The decorative AMPULLA luminaire reduces light pollution and light nuisance for road traffic by using an optical lens and a transparent diffuser with a line pattern. AMPULLA incorporates excellent lighting technology, which ensures high energy efficiency and good photometric performance. These features make this conical luminaire suitable for lighting cycle paths, car parks, public squares and residential areas. The AMPULLA is impact-resistant and can withstand an impact energy of up to 10 joules (IK09).
