

Product data sheet

OPTIC BOX I WHITE 3000K
7473415
HIDE-A-LITE

Complete 230V downlight in box-design with reflector technology and phase dimmable driver. With its square design, fits very well in both private and public environments which require a discrete and comfortable general light. Comes in several colour temperatures and Tune. Very good colour rendering, Ra>95. Can be installed under moisture barrier with our Spot Guard Gles. Complete with phase dimmable driver with push-in terminal and screwless strain relief. Dimmable with the most commonly available dimmers on the market. Can be delivered with Converter DALI.
