SPRING MINI PROJECTOR RS 45° LED 3000K
8423318
PLATEK S.R.L.

IP 65 IK 06

A family of floodlights available in different sizes and power, white light or dynamic one, suitable to meet any requirement in the lighting design of outdoor environments. The design is strictly technical, but with charming hints. Double colour identifying and defining the various components of the projector, creating a connection between the volumes. Form and function are identified and perfect, defined by changes of surfaces and materials.
