The new WORKLIGHT PRO stands for high performance in the workplace: the free-standing lamp is optimally designed in line with the latest DIN EN 12464:2021 standard. Its glare-free (UGR <14) luminous efficiency of 130 lm/W, a colour temperature of 4000 K and improved, indirect light output offers everything you need for an ergonomic working environment. Dimmability, daylight control, a motion sensor and long lifespan (L80/B10 50,000h) also help to make the free-standing office lamp what it is: a true SLV colleague that assists with productivity.
